

Submitter:

Arielle D Ross

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

This bill will harm the many Oregon voters, who like me, are disabled and may not be able to stand in line to vote or even travel to a polling station by Election Day. Voting by mail increases voting participation for all parties. Voting by mail is a good thing for all Oregon residents and should remain the default method for voting in this state.
