

Submitter:

Breena Colgan

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I have lived in Oregon for 26 years and vote by mail is one of my favorite things about Oregon! And now that I am disabled, I appreciate it even more. Please do not change our current vote by mail system. It works and it enables people like me to get my vote in easily. Thank you.
