

Submitter: Ray Reinard

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I feel strongly Oregon should keep our current system of mail-in voting. Mail-in voting is secure and safe for the voter, and vastly improves our ability to make informed decisions. I have lived in several states, and Oregon has the best system. I would rather raise taxes than bow to federal pressure on this issue. Save mail-in voting!
