

Submitter: Ryland Brown

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

As a merchant mariner, I find myself unavailable to vote in person regularly. Given Oregon's vote by mail law, residing in Oregon has allowed me to vote in primaries and general elections. Please continue to allow voting by mail. It allows for a greater number of voices to be heard. Repealing this statute is tantamount voter suppression, and the MAGA crowd knows this.
