On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Mail-In voting allows wider demographics of people to participate in elections. Many of those demographics are underserved in our society and rely on services that republicans have continually tried to undercut. They can not get their unpopular policies passed, so instead they resort to excluding voters who oppose them. A politician who thinks retracting voting rights is a part of a healthy democracy should be called a traitor to the values of Oregonians.
