

Submitter:

Barbara Nelson

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose the in person voting. Oregon has been a leader in mail in voting for nearly 20 years. It simply works. By allowing vote by mail we have higher participation as it does not disenfranchise working folks. It is also less expensive and secure. As Elon Musk stated, any computer can be hacked. I strongly oppose in person voting.
