

Submitter:

JA Cunha

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I have lived in five states since I began voting at 18. Oregon has the best, most comprehensive, and safest system in my experience. I can fill out my ballot at my kitchen table and have it in a secure outgoing mailbox 100 steps later. I have the information I need in front of me and have never not voted in Oregon.

It's not broken; don't "fix" it.
