Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose Senate Bill 210. I have lived in Oregon for 45 years, and have been of voting age for that entire time. Though the vote-by-mail ballots are counted by machines as I found out by calling my local election office, the accuracy of the vote totals is extremely trustworthy. The vote-by-mail system of casting one's vote is both convenient and thorough. It includes all the candidates and tax proposals, and because mail-in ballots are sent only to the voter's registered address - and includes their signature - fraud is not an issue.

Keep the long-standing and current system of vote-by-mail to and for the citizens of Oregon.

Sincerely, David Burham (541) 343 - 0771 (Land Line / shop, home and teaching studio)
