This thing is as complicated as you want voting to be. The only reason you want to do this is because of all the MAGA lies. Voting by mail is safe and simple. We have been doing it for years. The plan is to rig the votes so the Dems can't win. Will we also implement the save act so my ID won't be good enough. Maybe we will all have to go in person to an election office to re-register. Wait, DOGE is closing them. There is no reason for this.
