

Submitter:

Norma Gekakis

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Honorable legislators,

Please do not under any circumstances repeal or disallow our vote by mail status.

Since 1998

we've had safe elections by mail. It's wonderful to sit in one's own home, study the voters pamphlet and vote. The system works and should not be changed at the whim of election deniers.

Sincerely,

Norma Gekakis
