

Submitter: anthony kautz

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

As a lifelong Oregon citizen, I have enjoyed the freedom of vote by mail. I recall having to go to the local voting space, and expose myself to angry mobs. But I no longer fear voting my conscience. Whether I am a conservative in a liberal land, or a liberal in a conservative land, I can vote when i have time. Read all available material as i vote, and know my vote is secret.
