

Submitter: Ben Rain

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I am writing as a voter in Oregon for 25+ years, a father, a teacher, and a volunteer coordinator for voter outreach.

Voting by mail is the clear and preferred choice for Oregon voters.

Voting by mail works in Oregon as a consistently effective way to encourage voter participation. Furthermore, we as Oregonians have time to consider the options on our ballot, and voting by mail makes voting accessible for people whose work or family situation makes Election Day voting difficult or impossible.

I am totally opposed to SB 210.

Thank you.
