

Submitter: Kathleen A. Thompson

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

We have an excellent voting system here in Oregon that does not need to be changed. I remember when Oregon's vote by mail began, and I remember standing in LONG lines to vote in Oregon before that. It was inconvenient and time-consuming. This bill is discriminatory, unnecessary, and unacceptable. Vote NO on SB 201!
