Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly oppose making in-person voting on the day of an election the only method for Oregon citizens to vote. Our vote-by-mail method is a way to ensure ALL voters have reduced barriers to voting, and leads the country in efforts to drive higher voter engagement. Vote-by-mail is safe, affordable, secure, and equitable. I will without a doubt vote against any politician seeking to eliminate vote-by-mail in Oregon.
