SB210

I am 78. I have a lot of friends my age that would find it difficult to get to a face-to-face voting place.

I like having the ballot in front of me. There are always issues or races that I want to research before I cast my vote.

Personally, most people I know love the system. In all the years I have voted in the Oregon system I do not know of any fraud.

Please do not even consider getting rid of our voting system.
