

Submitter:

Dorothy Sahlfeld

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I absolutely want to keep mail in voting. I love the fact I can sit down and take time to read all the measures and people I will be voting for. I can make an educated decision on my own time. I don't have to drive to a voting office and stand in line. Please don't take away our rights to vote by mail.
