Measure, Appointment or Topic: SB210

To Whom This May Concern in Congress:

I oppose the proposed legislation to make in-person voting on the date of an election the standard for conducting an election. Oregon's current mail-in voting system provides enhanced accessibility for all Oregonians, including minority voters, voters with disabilities, those in rural communities, and more. I believe that arguments as to in-person voting preventing voter fraud describe a bad solution to a non-existent problem - it has been repeatedly shown that mail-in voter fraud rates are infinitesimally small. Please oppose SB210.
