

Submitter:

Vijay Balakrishnan

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I love my mail in voting. It lets me vote without wasting time going to a polling booth. Why are you taking the best way to vote & convenience away in a democracy ? Your job is to spread this throughout the Country - not take it away from us. Why are you wasting our tax dollars on this instead of focusing on homelessness, repair roads.
