Renee Rogers

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am writing today to oppose this bill. Mail-in voting is the most equitable form of voting. It allows those with limited transportation access, working class families, and disabled folks access to voting in a way that they won't get in most other states. I vehemently oppose this bill and demand justice and equitable access to voting for all Oregon residents.
