

Submitter:

Marianne Vydra

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose this as the only method to access the voting process. Mandatory in person voting hurts the poor, the working class, and especially folks with disabilities. Everyone should have easy access to voting. It is a felony to vote fraudulently by mail and the data shows that fraudulent votes are rare to non existent. Easy to audit.
