

Submitter: Connie Tyler

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Having moved here from another state I was delighted to find that voting was all done by mail. So much easier and clearly a better way to keep track of the ballots submitted. To go back to the old ways of submitting ballots is like going back to the dark ages. The work done to ensure that every citizen has the right and an accessible way to vote is part of what makes America (and Oregon) Great.
