SB210

I work 12.5 hour shifts from 0700-1930 as an RN taking care of some of the sickest patients from across Oregon. If I had to work on Election Day (hospitals don't close) i would not be able to vote. Just because my shift of ends at 1930 doesn't mean that I always get to leave one time.

Mail in voting allows every Oregonian the time to review the voters ballet, read proposed ballot measures, and to vote. Please keep voting by mail - it is one of the best things Oregon does.

I oppose SB210.
