SB210

I strongly support SB210 to restore integrity and consistency to our incredibly important elections process in the state of Oregon. Since adopting mail-in ballots, elections in Oregon have been subject to levels of fraud and manipulation never before seen. We must restore trust in our elections process now. The citizens of Oregon deserve the highest level of security and integrity in elections. As an official NVRA Coordinator, I strongly advocate for the restoration of in-person voting, with verified ID and proof of citizenship.

Thank you for your thoughtful consideration.
