

Submitter:

Krissi Carson

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Vote by Mail is integral to getting the widest variety of Oregon votes by allowing working people, non-working people, and folks with limited mobility (for a variety of reasons) to vote as their schedules allow. It's despicable that anyone would even consider getting rid of it. In fact, it needs to be enshrined in our constitution.
