

Submitter:

Joshua Laflin

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

As a disabled person, I oppose this measure because it will take away our access to voting. Many of us are unable to make it to the polls physically, stand in lines, etc. This very quickly takes away the voices of millions of Oregonians, effectively silencing those who have previously been able to vote. More votes means more freedom. Do NOT pass SB210.
