

Submitter: Paula Block

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

There is no reason to destroy a near perfect method of voting. I have lived and voted in a half dozen states, and voting via mail is the most efficient and accurate method of all. Changing that method would senselessly waste money and make our elections much less secure. Listen to your brain and your heart. Together they will put you on the right path.

Sincerely,

Paula M. Block
