

Submitter:

Hillary Bradburn

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Having chronic pain in my hips, voting by mail is the best way to make my voice heard without increasing my pain. It allows people in rural communities to vote without having to drive into town, choosing them money in gas. It allows people working full time plus side gigs to vote in their own time. We have one of the highest turn out rates in the nation, and taking this away from Oregonians will only hurt us
