SB210

I have voted by mail in Oregon elections since I moved here more than 25 years ago. It has been a safe, convenient way for me to exercise my rights as a U.S. citizen to vote in local, state, and federal elections. The call for in-person voting and requiring voters to present identification is a proven means to limit the exercise of the right to vote. Please do not overturn Oregon's proven vote by mail elections.
