In the many years that we have had voting by mail we haven't had an issue with fraud. In fact when we went to vote by mail more people voted. The increase was significant. This is the only way for many people to vote. Single parents. Elders. College age people. Working 1-3 jobs people. The poor people. The people afraid to leave their houses for any reason. This has been a help for Oregon. I realize that some people in the future will try to ignore our votes saying it's ridden with fraud. We can't let that happen.
