

Submitter: Jeffrey Thieret

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On  
Natural Resources

Measure, Appointment or Topic: HB5009

I support full funding for the Private Forest Accord, which, though not perfect, is a step in the right direction to modernize Oregon forestry practices. I live in a part of the state in which private forestry lands are abundant and it is on these lands, even more so than public lands, that I see the worst, most unconscionable, environmental damage.
