Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am writing to express my concerns about SB210, the proposal to require in-person voting in Oregon and to urge the committee to oppose this bill. I firmly oppose this bill because it reduces voter participation and would end mail-in voting; essentially suppressing voter turnout. Mail in voting is safe, secure and ensures more of Oregon's citizens participate in elections. I support our current voting system. Thank you.
