SB210

I am opposed to SB 210. I have great pride in how Oregon votes. During election days everything goes smoothly in this state. And everyone who is a registered voter in the State of Oregon can vote. SB 210 will disenfranchise or discourage voters. The handicapped will have to get to polling places despite the difficulty. People lacking transportation will be unable to vote. People will need to take time off of work to get to a polling station. We will have to wait in line again to vote. Why make voting harder? Why make Oregon's voting system worse? Is the purpose of this bill to disenfranchise voters?

Thank you,
