Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose this measure. Mail in voting , I think, is the BEST way for home-bound voters and senior citizens to cast their vote. It is simple, economical and the voter response has been very positive. This system works. It's proven over time to be efficient. Do NOT change a tried and true voting system. Do not bend to pressure. Keep our mail in voting system intact.
