Mail-in voting is deeply important to Oregon voters. It gives us all the opportunity to participate in our democracy, the time to research and contemplate our votes, and the security of knowing our votes were counted. I use ballot trax and always know my vote was counted. I think anyone looking to get rid of mail-in voting has terrible intentions toward democracy and our citizens. Please vote no on making voting in person a requirement. We need to continue to be able to vote by mail.
