Voting by mail is the way to go! It allows all citizens an equal opportunity to vote by significantly lowering the barriers of voting in person. Vote by mail lets me vote without having to take time off work, find a ride, or wait in line with a painful hip. My mail-in ballot is my voice, my participation in the government. Please do not advance this old-fashioned bad idea. Please, please, please retain vote by mail so that I, and all other Oregonians, can have an equal voice. Thank you for the opportunity to comment.
