SB210

Oregon should pass SB210 to ensure that in-person voting becomes the standard method for conducting elections, which is crucial for maintaining the integrity and accessibility of the electoral process for all voters. However, this bill should have an amendment for option for vote-by-mail only for military and overseas voters with a high accountability process to ensure they are legitimate. I encourage the Oregon Senate to pass this bill with an amendment that military and overseas voters can vote by mail.
