My name is Devon Butler and I am a resident of Oregon. I am writing to express my strong support for maintaining and continuing our state's vote-by-mail system.

As an Oregonian, I have found vote-by-mail to be an incredibly convenient, accessible, and secure method of exercising my right to vote.

Vote at my own pace and on my own schedule: I can take the time to research candidates and ballot measures thoroughly, without feeling rushed or pressured.

Vote from the comfort and safety of my home: This is particularly beneficial for individuals with disabilities, mobility issues, or those who face transportation challenges.

I have confidence in the security and integrity of Oregon's vote-by-mail system. The chain of custody and verification processes provide assurance that my ballot is accurately recorded.

Vote-by-mail has proven to increase voter turnout, making our elections more representative of the will of the people.

I believe that vote-by-mail is a vital part of Oregon's democratic process. It promotes accessibility, convenience, and security, and it empowers all eligible citizens to participate in our elections.

I urge you to continue supporting and protecting this valuable system.

I also do not appreciate the Republican Congress person pushing voter suppression tactics.
