

Submitter: Yasmin Ramahi
On Behalf Of:
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB210
To Whom It May Concern:

I am writing to you to please keep voting by mail in Oregon. It is a safe system that serves the Oregonian residents. As an older person with health issues and who has problems standing anytime over a minute, I really appreciate that I can continue my civic duty and not compromise my health. I am sure this is true for other people as they get older. We want to vote but would we be able to if we had to leave our homes and stand in lines? And, this also applies to people who are so busy with two jobs or families or... Voting by mail is one of the things that keeps Oregon proud. Do not let the naysayers or the fear mongers after their own negative agenda take away a system that efficaciously serves our state and residents.

Thank you for your time and consideration.
