

Submitter:

Sandra Phillips

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Oregon's vote by mail is essential to ensuring all Oregonians can cast a ballot. It has worked extremely well, is managed well and allows people time to study the issues and people running. People who live in rural areas , individuals who are housebound, people who work in traditional hours are all able to vote!

Please keep our right to vote by mail!
