

I am 100% against SB210. Oregon's vote by mail system has worked for years and allows more Oregonians to participate in electing our officials. Without vote by mail people in rural areas or those facing transportation challenges would have a lot more difficulty participating in their constitutional right to vote. I am asking the Oregon Legislature to vote against SB210 and stand by Oregon's vote by mail system that makes Oregon an inclusive state that believes in democracy for all.

Thank you,
