Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Oregon needs to return to in person voting with ID. When you combine motor voter registration and universal mail in ballots, you have a very insecure system. We've already seen that 1300 people were registered to vote that were not eligible due to human error. I have no faith in our election integrity. We need to return to a verifiable system. No mail in ballots unless they are requested due to circumstances.
