

Submitter:

Aaron Longton

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

As a lifelong Oregon born resident and business and property owner I have complete trust in our mail in voting system. It enhances citizen participation while adding very little or no inaccuracy. An informed and enabled public is the key to a thriving democracy. For the people and by the people! We the people reject constraints on our voting rights!
