SB210

I adamantly OPPOSE this bill structured to eliminate mail-in voting! Mail in voting allows for higher voter participation. It allows seniors, shut-ins, moms with young children, folks with demanding jobs, folks in rural locations, those without reliable transportation, folks who must travel or who have travel plans, etc to exercise their constitutional rights to vote and to submit their votes in a timely fashion. It has worked for years in Oregon and there is no evidence to support claims that there is corruption or fraud encouraged by mail in voting.

We simply CANNOT allow this administration and the Republicans to restructure the voting systems. THEY CANNOT BE TRUSTED !! Voting is one of the last tools we have to stop them. PLEASE PROTECT MAIL IN VOTING!

THANK YOU,
