SB210

Please DO NOT change our vote by mail here in our most beautiful, one of a kind, Oregon. We have never had an illegal voter issue that would make this change necessary.

Think of all the people who could not make it to a polling place to be able to have their voice heard without our vote by mail. That would include me. If the 'no postage necessary' is the problem I would be more than happy to add my own postage & I'm sure every other voter would also.

If it ain't broke, don't fix it!!
