I am a voting citizen of Oregon. I have utilized our State's Vote by Mail since its inception. As a rural voter, the ability to Vote by Mail has proven to be not only easy, but cost effective. I do not have to drive in 20+ miles one way just to stand in line and place my vote. As a disabled voter, to be able to vote from the comfort of my own home instead of being forced to stand in line, for hours (as I see in other states), is a blessing - if I had to stand and wait to vote, I wouldn't be physically able to vote.

Vote by Mail is a wonderful service and makes it possible so I can vote.

Please do not take this away from Oregon Voters.
