

Submitter:

Willow Cordain

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am against changing the current voting system in Oregon. I trust our system and feel this will unjustly impact those that cannot easily make in person voting or have the bandwidth to pre-register for mail. I am concerned this measure is more about making less people vote. Our system works and works well and I do not take kindly to those that want to inhibit people from voting and creating fear tactics and distrust in our systems.
