

Submitter:

PAMELA THOMAS

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

SB210 is a threat to our democracy and voting rights. Wrapped in a false package of securing vote accuracy, it actually seeks to control and act as a tool to suppress marginalized communities. It is gerrymandering applied to our voting system. I demand you keep our elections free and fair by opposing measure SB210 in Oregon.

Sincerely,

Pam Thomas
