I believe that Mail in voting is an essential part of empowering our democracy here in Oregon. While in person voting is inconvenient for me, I travel for a living, it is truly an impossible barrier for many folks with jobs and family obligations that they cannot step away from. There is NO data showing any significant issues with mail in voting (such as voter fraud) - mail in voting is a huge positive in terms of access so that ALL Oregonians can vote and be heard. Please do not place barriers on this crucial right.
