

Submitter:

Mike Gerdes

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly oppose SB 210 that proposes to eliminate mail in voting. As a rural resident of Oregon mail in voting allows us to not require driving a distance to vote.

This bill also makes it difficult for senior citizens and those with disabilities and those without a drivers license to vote. This takes away the freedom of Oregon residents to have a choice on they vote. AGAIN, I STRONGLY OPPOSE SB 210.
