Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am submitting testimony that I am opposed to the measure to remove mail in voting for Oregon. Mail in voting has proven to be the easiest and most effective means of getting people to vote. It also provides the best access to all registered voters in Oregon, including the elderly, those with limited mobility, and those residents living in rural areas far from polling stations. Myself and all Oregonians benefit from being able to easily exercise our right to vote. I strongly urge to committee to oppose this measure.
